

Hello from The Seasons with an update on the current health situation and protocols.

Thankfully, we have had a healthy week and no one is exhibiting any symptoms at this time.

We are continuing to work closely with the RI Department of Health and we will continue operating at level 3 precautions for our building.

*Dining and Activities are going well since instituting proper social distancing measures.

*Our activities department will be sharing a weekly calendar starting next week. This will allow us to remain flexible and change programming as needed according to resident needs, desires, interests and most of all their safety. Check our website for weekly offerings.

*Appointments remain on hold until further notice

*New Hours for dropping off items for residents are as follows. Items will be accepted **Tuesday, Thursday and Saturday between 10am and 3pm**. We will have a box outside for you to place items so that the receptionist can limit trips to the door. **Please do not leave medication in the box, ring the bell and wait for someone to retrieve them.** We appreciate that you want to bring items to your loved ones. Please continue to use **paper bags** labeled with the residents name when dropping off items.

We are continually reviewing information from the RI Department of Health and will keep you updated, via email and posts on our website.

Please share this information with your family and friends.

Thank you for your help and understanding!
