

Procedure and Hours for dropping off supplies to residents are as follows

\*Place items to be dropped off in a paper bag labeled with the residents name.

\*Items will be accepted **Tuesday, Thursday and Saturday** between **10am and 3pm**. There is a box outside the main Seasons door for you to place items in. The box will be checked frequently throughout the day.

\*If you have **Medication** or **perishable** items, please place the item in the box outside, return to your car and call the main number 884-9099. A staff member will come out once you have returned to your vehicle. We need to limit face to face contact in order to keep our residents and staff safe.

Thank you for your cooperation.
