

**Important Notice Regarding
Medication Drop Off
Updated Jun 5, 2020**

Dear Family and Friends,

When dropping off medication for Residents at The Seasons **please call or ring the bell and talk to a staff member** to alert us that medications are being dropped off. **Place the medication in the small medication only container** at the front door. We will retrieve it from the container. Please continue to drop off all items on Tuesday, Wednesday and Saturday between 10am and 3pm. We ask that you do not place medications in bags with other items.

Daily delivery of medications to The Seasons is offered by White Cross Pharmacy. If you do not currently use White Cross, (or a pharmacy that offers delivery) and are interested in changing your pharmacy to one that does, please call The Seasons and we will start the process. We encourage everyone to use a pharmacy that offers delivery services. We thank you for your cooperation. Please call if you have questions.
