

# FLAVORS

# 365

This superfood is low in calories but packs a nutritional punch as it's high in vitamins A and C, is a good source of potassium and folate and is loaded with the antioxidant lycopene, which is linked to decreased risk of cancer, heart disease and age-related eye disorders.

# Melon

Enjoy this  superfood throughout the whole month of August! 

Before placing your order, please inform your server if a person in your party has a food allergy.
